

ELICA

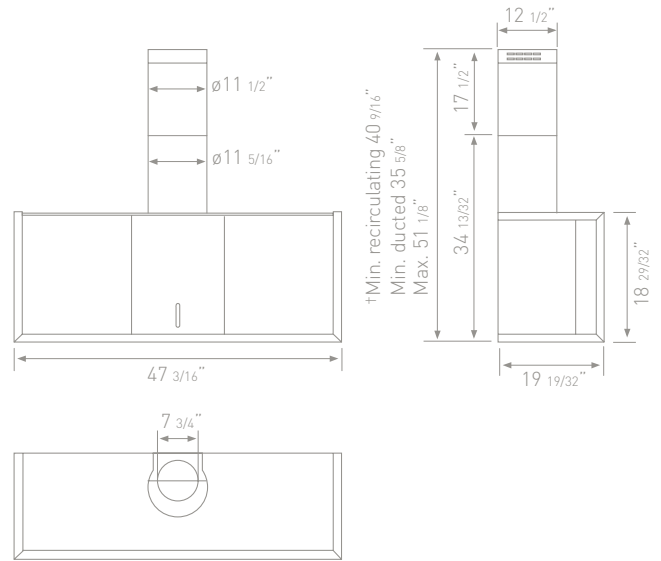

COLLECTION

FUTURA

David Lewis' ode to a shining future uses glass and steel to form a unique sense of space within Futura's minimalist structure. Transparent glass is suspended high above the steel lower surface to form an airy enclosure for canisters of oils and spices, or whatever inspires your time in the kitchen. This shelf is beveled along the leading edge to enable easy access from below—and to enhance the play of light along the delicate surfaces.

ELICA COLLECTION

*Ductless (Recirculating); louver holes exposed.
Note: if necessary order the proper duct cover extension kit.

FUTURA

WALL

MODEL	EFU-M120AS
SIZE	120cm
NET WIDTH	47 3/16"
PERFORMANCE	
Internal Blower CFM	600
Sones	6
Boost Sones	9
COLOR/FINISH
