

## RESOURCES // NEW PRODUCTS

**Plumbing Perfection** Price Pfister's Avalon 36 Series kitchen faucet is designed with a high-arc, full swivel spout to allow maximum sink clearance for larger pans and bowls, while the coordinating side spray and hose guide provide targeted flow. The decorative aerator housing complements the traditional look. Price Pfister's latest addition to its architecturally inspired collection is available in a polished chrome or stainless steel finish. Call 800-732-8238 or visit [pricepfister.com](http://pricepfister.com).

## what's new

**Clear the Air** Zephyr's Cache hood, part of the Cheng Collection, is stylish yet functional with its spacious storage compartment—perfect for housing herbs and spices—and signature utensil rack, accompanied by a 600 cfm internal blower and a 1,000 cfm external blower. Call 888-880-VENT or visit [zephyronline.com](http://zephyronline.com).

**Iridescent Installation** Hakatai Enterprises Inc.'s Paradox mosaic tile murals are hand-cut, hand-aligned and created to spec. Available in 24 glass tile colors and three designs—aura tree, organic bulb and intricate weave—Paradox is suitable for interior and exterior wall and backsplash applications and can be produced for corners. The murals are mesh-backed with protective clear film on the tile face for installation ease. Call 888-667-2429 or visit [hakatai.com](http://hakatai.com).

**Handy Dandy** Fomo Products Inc.'s Hand-Stick is a strong and durable, pressurized polyurethane foam adhesive for general applications like polystyrene construction and subfloor. One can yields the equivalent of 30 standard tubes of caulk-type adhesives, delivering more than 1,000 lineal feet of adhesive bead. The fast open-time profile ensures quick bond strength, and the dispensing gun offers maximum control with an airtight seal meeting industry standards. Call 800-321-5585 or visit [fomo.com](http://fomo.com).

**Under Pressure** Jerry Products Inc.'s Air2Go compressors feature a single-stage, direct-coupled pump, with a cast-iron cylinder and an aluminum head, manual tank drains, a pressure-relief safety valve, an airline regulator, line and tank pressure gauges, special unloading valves, and anti-vibration feet. Available in 4.5- and 5.5-gallon tank capacities with 2-horsepower, 115-volt motors. Call 814-445-3400 or visit [jerryproductinc.com](http://jerryproductinc.com).

**Breakfast at Tiffany's** Maine Ornamental's Tiffany-style post caps provide solar-generated light that reflects through three stained-glass patterns—California Grape, Sunflower and Mission. They fit most standard 4 x 4 or 6 x 6-inch posts and coordinate with the company's deck rail accents. Call 866-790-3587 or visit [postcaps.com](http://postcaps.com).
