SPRING 2016

24

24. COFFEE BREAK

Coffee lovers will wake up early for the instant hot water dispenser and heating single-serve system built into the door of this storage-packed, high-quality refrigerator. Café Series refrigerator with heating K-Cup Brewing System (#2,200). GE Appliances, geappliances.com

25

26

25. UP, UP, AND AWAY

Most people won't even know it's there. This streamlined, flush-mount ceiling vent system replaces a bulky range hood that can dominate a kitchen and dictate the room's style. Lux Island (#2,099). Zephyr, zephyrvalve.com

26. CUSTOM SPRAY

Customize a shower with the first flush-mount body sprays that give the user multiple spray options. Select between a traditional spray pattern or an invigorating, pulsating massage. Mosaic Body Sprays (#189-\$273). Moen, moen.com

27

29

27. OPEN PLAN

Like a magic door's assistant, this shower lets you one minute and goes the next. Its innovative engineering allows the two exterior shower doors to be folded back against the wall when not in use. Who couldn't use a few extra square feet in the bath? Open page II (starting at \$2,399). Dornbracht, dornbracht.com

28. DOUBLE DUTY

Designed to fit into the space of a traditional dishwasher, this double drawer design offers great flexibility. It can clean dishes in a single drawer, using less water and electricity, or both drawers at the same time. There's also an eco feature for further efficiency. DishDrawer (#1,999). Filter & Payco, filterpayco.com/usa

30. INTEGRATED SINK

This clever contemporary sink makes use of the material that was cut out of the countertop during installation. The custom piece serves as a false bottom for the sink, so the counter appears intact. Without a traditional sink drain in view, the water flows organically to the edge of the circle and drops to the sink base, recessed below the counter. Continuum Sink (#1,099). Hill Bath, hillbath.com
