## U-LINE

### 1 CLASS COLLECTION

U-Line, America's leader in undercounter refrigeration, introduced the 1 Class Collection – their broadest lineup of Beverage Centers, Refrigerators, Ice Machines, Wine Refrigerators and Freezers. With over 40 models available in 15" and 24" widths, the 1 Class Collection offers customers the widest variety of options in the industry. These products can be used in built-in and freestanding applications. All products are available in durable stainless steel, with select models available in black, white and customizable panel-ready options to match surrounding cabinetry, allowing customers and their designers the freedom to create a truly unique space.

## TRUE-RESIDENTIAL

### SLIDE-TOP BEVERAGE REFRIGERATOR

Slide-Top Beverage Refrigerator. True Residential, a luxury home refrigeration brand with commercial DNA, unveils a summer-ready new residential introduction: the Slide-Top Beverage Refrigerator. Long since a staple in the world's most popular bars and restaurants – and one of the inaugural offerings of its parent company, True Manufacturing (c. 1945) – homeowners are now able to enjoy an easy-access, icy-cold beverage storage solution at home, indoors and out.

## ZEPHYR

### PRESRV™ WINE & BEVERAGE COOLER

Zephyr introduces its new Presrv™ Panel Ready Wine & Beverage Coolers that blend seamlessly into existing under-counter cabinetry. Whether in the kitchen, home bar or office, the panel-ready units are virtually silent and can integrate throughout the home to match any interior aesthetic. The 24-inch undercounter wine and beverage coolers accommodate a custom 5/8-inch to 3/4-inch depth overlay panel for a fully flush, built-in design. The panel-ready units are designed with a black toe kick and black zero-clearance hinges that will blend seamlessly with the cabinetry.

## LG

### WI-FI ENABLED SIDE-BY-SIDE REFRIGERATOR

LG 42-inch Smart Wi-Fi Enabled Built-In Side-by-side Refrigerator. This built-in refrigerator will make a statement in any kitchen with its sophisticated design and features. A stainless steel Tall Ice and Water Dispenser® provides both form and function so you can fill everything – from pitchers to pint glasses – conveniently, while a flexible, ultra-large 26.5 cu. ft. interior with an ingenious SpacePlus® ice system maximizes shelf space allowing you to store more food than ever before, so you can keep everything fresher, longer.
