Subject: **Zephyr Presrv™ Full Size Beverage Cooler**

Over the last two years, we've introduced two full size wine coolers designed for wine enthusiasts who need more capacity for their prized collection. We are excited to announce the addition of our first full size beverage cooler to the Presrv line of wine & beverage coolers.

PRB24F01BG stands at 69-1/2" tall by 24" wide and has a 12oz can/bottle capacity of 266 along with a 750ml wine bottle capacity of 19, perfect for entertaining a crowd. This single zone cooler has a temperature range of 38° - 65°F to ensure your drinks are always stored at the proper temperature. Key features include (1) full-extension, stainless steel beverage bin, (2) full-extension wood wine racks, and (4) adjustable glass shelves. Like the other Presrv full-size models, this beverage cooler includes Active Cooling Technology with a fan to provide even cooling, PreciseTemp™ temperature control to maintain accurate temperatures, and 3-color LED lighting in Cloud White, Deep Blue and Amber.

MODEL DETAILS

- Zephyr Presrv
