Wine is a part of your life— a really good part. Store and serve it perfectly with Presrv.™

SO COOL

Regulating the temperature of wine is important. Even minor fluctuations in temperature can affect flavor profiles and the ability to age. A temperature-stable storage environment is key to having confidence in every bottle you open—whether it's wine or any other beverage you are serving.

SOMETHING'S FISHY

As much as you love keeping salami, smoked salmon and gorgonzola in your fridge for impromptu get-togethers—your wine does not want to be stored alongside your robustly-scented snack foods. Having a dedicated cooler not only keeps wine away from unwanted odors, it keeps all your beverages at a ready-to-enjoy temperature.

STEADY AS SHE GOES

Disruptions in the aging process such as vibrations can affect flavors and rapidly spoil or flatten the taste. Wine needs to rest in a still environment until it's opened. The Vibration Dampening System ensures noise and vibration are reduced to minimize wine disturbance.

LIGHTS OUT

A brightly lit environment will damage wine over time, resulting in cloudiness and unappealing odors. Sunlight, fluorescent light, and UV light are all equally detrimental to your precious bottles—so even though you'd love to show off your newest acquisitions, please don't display your wines on the kitchen counter. All Presrv™ Wine & Beverage Coolers include dual-pane, argon-filled glass, which improves insulation to minimize heat exchange and increases soundproofing characteristics.

BEVERAGE COOLER MODELS

SINGLE ZONE BEVERAGE COOLER

CUSTOMIZE YOUR SPACE WITH PRESRV™

Brushed Gold
Contemporary Handle

Matte Black
Contemporary Handle

Stainless Steel
Contemporary Handle

Stainless Steel
Professional Handle

Complement your interior design with one of our bold accessory handle options in a range of finishes. All single-door coolers come standard with field-reversible door brackets included.

Retractable Quarter-Shelf
Available on PRB24C01BG

A convenient glass retractable quarter-shelf maximizes space and gives you the flexibility to display taller bottles such as water, soda liters or champagne.

Mix & match all your favorite varietals, no matter the size. Our 7-bottle racks feature improved spacing for the entire collection.

Panel-ready wine & beverage coolers can be designed with custom 5/8" - 3/4" depth overlays to blend seamlessly into any cabinetry.

PRESRV™ SHARED FEATURES

Door Open Alarm

Full-Extension, Black Wood Racks

Adjustable, Transparent-Gray Glass Shelves with Airflow Openings*

34°

PreciseTemp™

Multiple internal sensors help maintain accurate temperatures.

Active Cooling Technology

An on-board computer controls an active cooling fan to provide temperature stability and even cooling.

3-Color LED Lighting

LED lighting in Cloud White, Deep Blue and Amber.**

Vibration Dampening System

Noise and vibration is reduced to minimize wine disturbance.

Dual-Pane, Low-e, Argon-Filled Glass

Improves insulation to minimize heat exchange and increases soundproofing characteristics.

Zephyr Warranty

We back our products with a generous 2-year parts and 1-year labor warranty along with a 5-year warranty on the compressor.

*Not available on Outdoor Beverage Cooler: PRB24C01AS-OD
**Cloud White LED Lighting available on Outdoor Beverage Cooler: PRB24C01AS-OD
